EDUCATION. SPORT. WELLBEING

Online Learning Platform

All Essential and Enhanced schools will now be able to access the flexible North Lincs CPD Learning platform. Working with Owen at Primary Steps in PE we have created a series of short PE courses that staff can do at anytime and anywhere.

The menu of courses is as follows; you and your team will be able to identify and access as many of these modules as you would like. We anticipate each course will take no longer than 30 minutes to complete

Lesson Planning and Curriculum Support - what an effective PE curriculum looks like and how to design for your school - how to plan a unit of work - the make-up of an outstanding PE lesson		**Assessment** - how to use assessment to drive attainment - practical tips when assessing in PE - getting staff on board with assessment
Instant Engagement - practical ideas to maximise physical activity in lessons - importance of a good, active start	**Differentiation** - How, Why and When - Practical strategies	**Active English** -Practical classroom-based ideas - Longer Units - Physical Activity at the heart of learning
Active Maths -Practical classroom-based ideas - Longer Units - Physical Activity at the heart of learning	**High Intensity/ Strength Activities** - Supplementary activities and games to promote and develop fitness.	**Invasion Games** -Pedagogy when teaching Games - Increasing engagement
Dance - maximising participation - alternative approaches - getting the music right	**Daily Activity** -Ideas to promote and sustain daily physical activity - Structures to increase participation DAILY	**Behaviour Management** - Quick fixes - Managing transitions - Strategies to decrease off task behaviour

In order to access these courses every school will be sent the access code, and members of staff will have to register their details to enable them to access the courses.
